industry training

## **Screen NETS Trainee Programme now OPEN for applications** **Deadline: March 12<sup>th</sup>**

Screen NETS on the job training returns! Continuing its strong track record of providing training for film and TV, Screen NETS is recruiting for 6 fully funded traineeships in a range of roles. The programme is for 6 months, paid on-the-job training in technical, production and design roles for High-end film and TV drama in Scotland. Screen NETS trainees will potentially gain the contacts, knowledge and understanding to develop a successful freelance career in the film and television industry. Screen NETS is funded by Screen Scotland in partnership with Screen Academy Scotland/Edinburgh Napier University.

We are keen to select individuals who are ready to specialise in a specific department and already have some limited entry-level experience within the industry or transferrable skills that will meet the criteria for the specific department.

We will be selecting one trainee for each of the following specialisms:

- Production Office Trainee
- Locations Trainee
- Grip Trainee
- Production Accounts Trainee

# SCREEN NETS

industry training

- Camera Trainee
- Costume Trainee

We aim to assist the industry towards best practice by encouraging inclusion and better representation of our society in its crew and creative practitioners.

Applications are encouraged from talented people from groups under-represented in Film and TV, which can include:

- People from a BAME background
- Disabled People
- LGBTI people and communities
- People from low income backgrounds
- Women and men in under-represented roles
- People with strong transferable skills but no financial support to establish themselves as a freelancer
- People who have no Higher Education degree but whose work experience can transfer well
- People who are the first person in their family to enter the industry

People who may already have a degree are also strongly encouraged to apply and should, like all others, be able demonstrate general work outside of study and how it brings value and relevance to what they have learnt on their degree course and to Screen NETS.
